**Widow Family Support: ($22,000)**

32 families (25 widows, 4 divorcees and 3 destitute families) were given financial aid for their household expenses. These families have 94 children. The average amount of aid per family per is Rupees 3,000.

**Medical Help to Needy:**

1. **Diabetic Care Support (23,350)**

Free Diabetic Care is provided to 7400 patients. Our partner NGO, Dr. GA Health Trust, operates 4 Diabetic Care Centers and a diagnostic laboratory. SEED provides 95% financial support. Patients are provided “free care” (qualified physician, nursing staff, free medicines and diagnostic services).

*In July 2013 SEED received a grant of $20,000 to support Diabetic Care for poor in India from Islamic Medical Association of North America (IMANA). We are grateful to IMANA for this support.*

2. **Emergency Medical Relief ($25,000)**

In July 2014 SEED made an agreement with **Helping Hands Foundation of Hyderabad (India)** to work together to provide emergency medical relief to poor patients suffering from major medical problems.

Twenty-nine poor patients were provided financial aid for major medical issues. Few examples are given below:

1. Tongue Cancer Patient (Rupees 100,000): A 23 year old pregnant sister was diagnosed with cancer. Treatment was successful and a healthy baby was born.
2. Prosthetic Hand (Rupees 50,000): A 5 year old boy’s hand was lost due to electrocution. A Prosthetic hand was provided and the boy is now able to function normal. He is going to school.
3. Hearing aids (Rupees 101,000): Hearing aids were provided to 17 year old sister and two brothers (10 and 6 year old).
d) *Examples of “How” Your donations are making a difference*

**Mr. S. H. (BE 2nd year)**
Mr. M. S. is studying in Mechanical Engineering second year. His father abandoned the family 5 years ago. Mother is working as a housemaid. He is studying under SEED sponsorship since 2013. This year he got a grant from the State Government. SEED is him with educational expenses and gave him a much needed Laptop to enhance his studies.

**Miss RH (Completed ME Degree)**
Miss RH’s father passed away in 2013. SEED granted her scholarship for final year of her education.

**Miss A. U. (Completed ME Degree)** Miss AU’s KB’s father is unemployed and in ill health. SEED provided financial support for two years of her education. She has successfully completed her degree.

**Miss A. B. (Completed MBA Degree)**
Miss A. B. is an orphan. SEED provided tuition support for two years of her education.

**Miss A. Sultana (BS Physiotherapy)**
Her father passed away when she was 3. She completed High School at a charity school and completed college degree with SEED’s support. She is now employed at a reputable hospital in Hyderabad, India.

**Ms. M. F. (Widow with 3 children) Employed in Dubai after vocational training:**
Ms. MF was a housemaid and used to earn $1 per day. She has 3 little children in school and had difficulty in meeting expenses. With SEED’s support she has completed tailoring and beautician courses. SEED paid her family’s expenses and transportation costs during her training. She was hired to work as a beautician in Dubai.
Miss. D. B. (Orphan girl) operating Tailoring shop:
Miss. D. B. is an orphan and lives in one-room residence with her widowed mother and one sister. She graduated from SEED’s tailoring center and was given a Sewing machine. She is earning money by running a tailoring shop. She is able to pay all her family’s expenses. There are many trainees like her who are working and supporting their families.

Mr. A. was given a computer to increase his income:
Mr. A. was given a computer to help him in his earnings. He used to rent a computer to do Auto-Cad work and half of his income would go in rent. With SEED’s support he is able to save rental expenses and this extra income will help him meet his family’s expenses.

Bus Purchase for Radiance School, Dendigul, Tamil Nadu:
SEED provided Rupees 900,000 (85% of cost) for the purchase of a bus for this school. This bus will be used to transport poor children to school from Dendigul city. School is located 11 Kilometers away from the city. After purchasing the bus the school is transporting 64 poor children (new students) to the school.

Water Purification Systems:
Water purification systems were installed at a Princess Esin Women’s College and Ashraful Madaris High School during 2014. Twelve hundred students now have access to pure drinking water.
