Maulana Azad Urdu University (MANUU) Scholarships at Hyderabad:

This year SEED granted One Thousand (1,000) scholarships in the amount of One Crore Rupees.

Beneficiaries of MANUU Scholarships

Hafiz-e-Quran - 132; Ulema (Aalim/Fazil/Munshi/Kamil) – 417;
 Poor and needy – 451 – Total 1,000

New “Bridge School” at Hyderabad:

SEED opened a new “Bridge School”, second one at a slum area in Hyderabad. SEED operates two Primary Schools, Bridge Schools. Children at this school will be educated till fifth grade and then they will join the State Government’s Minorities Residential schools for “free of cost” education till they graduate from High School. The school offers complimentary education, school supplies, and transportation to all students. There are 292 children at this school. Six hundred and twenty-two (622) children are being educated at these two schools. These children were not enrolled in any school before they joined these schools.

Coaching Six Hundred (600) Madrasa Students :

SEED funded coaching of 600 Madrasa Students at Bengaluru and Kalaburagi (Gulbarga) in Karnataka State. These students are coached to appear in High School as well as Intermediate examinations, so they can join mainstream education degrees.

Computer Labs for 2 Schools in Andhra Pradesh:

SEED provided funding for computer classes at 2 schools. SEED also provided funding for a Projector for an Audio-visual room in another school.

Ashray Akruti School for Hearing Impaired (Deaf and Dumb) Children:

SEED continued funding for the education of one hundred and 50 children (Rupees 15,000 per student). This school provides hearing aids, depending on the severity, to these children. They provide sign language education for these children by "Special Education Trained Staff." Most of these children come from low-income families who cannot afford to pay the tuition.

Bicycle Distribution to High School Students:

SEED distributed 137 bicycles at a rural school near Guntur, Andhra Pradesh and 40 bicycles at Anwar-ul- Uloom High School at Bhopal, Madhya Pradesh. These bicycles will help the poor high school students to commute to their schools.

2. Widow & Destitute Family Support Program: (\$801,575) Financial aid is given to widows, single mothers, and destitute families so that they can live a respectable life, and their children can go to school. The financial needs of each family are assessed, and a monthly Stipend is given. All families are required to educate their children. These families are in Telengana State, Andhra Pradesh, Karnataka, Uttar Pradesh, Delhi, Gujrat, Maharashtra, Madhya Pradesh & Tamil Nadu.

This year we have provided financial aid to 1,400 families with 3,000 children.

3. Training Program Leading to Employment: (Investment \$676,875 – 6,066 Trainees)

This program trains and provides skills to school dropouts and unemployed youth. Free of cost vocational and various other skills training is provided to help these youth towards employment and a respectable life.

Training Centers and Partnerships:

- Four Advanced Skills Development Centers (Two at Hyderabad-Telangana State; one in Patna-Bihar State and one in Kanpur-Maharashtra). The fifth computer training center was inaugurated in August 2025 at Vijayawada-Andhra Pradesh.
- MHK ITI, (Bhopal – Madhya Pradesh): 2-year diploma ITI Courses & Auto-Mechanic Technician Course, Computer, and tailoring courses are supported. Monthly stipend is also given at MHK ITI.
- Vocational Skills Development Center - (Hyderabad – Telengana State): Auto mechanic; Electrician and AC technician Courses . Transportation allowance is given to trainees at this center. Trainees are school dropouts (7th and 8th grade students).

Training Courses	Number of Trainees
IT Training: MS-Office; Typing; Office Administration; Data Analytics; COPA, Accounting & Tally; Graphic Design; Digital Marketing; Software Development; Languages (English, Hindi & Telugu) and Soft Skills.	4,238
Vocational Training: Electrician; Fitter; AC Technician; Welder; Draftsman Civil; Auto-Mechanic; Driver’s Education; Mobile Repair; Police Job Training; Tailoring; Beautician; Mehendi Design. Teacher’s Training & Law Graduates 1-year Apprenticeship training. Paramedical courses	1,828
Total	6,066

- **Lawyer Training – One-Year Apprenticeship Program (10 Trainees to-Date):** SEED offers a One-Year Apprenticeship Training Program to law graduates. A senior Advocate trains the fresh graduates and after this training they can practice law. During 2025 we have trained 2 graduates and in the last four years we have trained ten graduates.
- **Small Vendor Development Training:** This year SEED has trained 18 small Vendors and taught them business skills. These People are fruit and vegetable sellers, small grocery store operators etc. SEED trained them for one year by offering classes on Sundays. They were taught soft skills, use of inventory, managing their money and budgeting. This training is really changing the way the small vendors conduct their business and helping them organize. SEED Gives these trainees transportation allowance for attending the training sessions.
- **New Vocational Training Center at Indore, State of Madhya Pradesh:** SEED is planning to start a new Vocational Training Center at Indore City. Facility has been leased, and construction has begun for workshops and classrooms. This Center will begin training in January 2026. This center will train young men in Refrigeration and Air Conditioning, Electrician, Motor and Pump Technician and Mobile technician (Six-month courses). One hundred and eighty young people will be trained each year, and the training is free of charge.

4. Medical Care Program (\$ 666,300 ; Beneficiaries 570,000)

Islamic Medical Association of North America Granted \$95,000 for Medical Relief.

- SEED provides free Primary Care and Diabetic Care services for the needy. These services are offered by operating Fifteen (15) Primary Care Centers and Five (5) Diabetic Care Centers.
- 11 Primary Care Centers are in Hyderabad, 2 are in JagdishPur, Uttar Pradesh, 1 in Bhopal, Madhya Pradesh.
- 4 of these Primary Care Centers offer Dental and Eye Care services also.
- In addition to these Primary Care Clinics SEED provides funding for 5 Diabetic Care Clinics in Hyderabad, Telengana State.
- SEED has set up a "Rehab Comfort and Care Center" in Hyderabad and SEED's partner Helping Hand Foundation operates this center. This center provides services "at Cost" to the needy.

Free of Cost Dialysis Treatment :

SEED has set up three (3) Dialysis Treatment Centers. One center is in Hyderabad with 9 dialysis machines. This center is operated by SEED's partner, Helping Hand Foundation. The second center with 7 machines is at Zakariyah hospital in Gujrat. SEED established a new Dialysis Center at AliGarh, Uttar Pradesh in August 2025 with 6 dialysis machines. One of the SEED donors donated all funds for this Center.

Number of Free Treatments this year at these centers - 9,300

\$320,000 (twenty-eight million Rupees) are saved for the patients.

New Dialysis Center at AliGarh, Uttar Pradesh

X-Ray Services :

One of the SEED donors provided funding for starting an X-Ray Machine service at a Primary Care Center in Hyderabad. This Primary Care Center is providing "free of Cost" X-Ray services to the needy patients. Two hundred X-Rays per month (**Savings to the patients Rs. 60,000 per Month ; Rs. 720,000 per year**).

IMPACT OF YOUR DONATIONS - Changing Lives (Few Examples)

SEED's Support Provides Financial Relief to A WIDOW with Five Daughters:

Sudden death of Sister I.T.'s husband on 6/17/2025 put this widow sister in a difficult financial condition. . She has five daughters, two in college and three in high school. She was referred to SEED by a local NGO. This widow has no one to help her. One of SEED's donors agreed to donate funds to pay her expenses. SEED paid tuition fee for all daughters and started paying her Rupees 25,000 per month to pay her family's day-to-day Expenses. Now she is living a worry free life.

Educational Expenses Paid By SEED:

Sister JK is a student in the final year of a Nursing Degree. Her mother is a housekeeper and cannot pay her tuition and hostel expenses. A SEED donor recommended her case to SEED. SEED has paid all her expenses for the last two years and she will graduate at the end of this year.

Educational Expenses Paid By SEED:

Sister KB is a student in the final year of a 3-year Nursing Diploma course. Her father is cook. She is the eldest of nine children. All her siblings are in school. SEED has Paid her tuition fee for the last two years and will help her complete her Diploma next year.

Support to another widow:

Widow M. Fatima is a widow with two children. She does not have financial support from anyone. She had to pay tuition fee for her two children and needed assistance in paying her expenses. She wanted to learn "Mehendi design and beautician's courses" so she could earn money. SEED paid tuition dues for her children and paid Rs. 8,000 for her training expenses. SEED also started paying her Rs. 5,000 per month as stipend for her day-to-day expenses.

Prosthetic Leg for a Young Man:

A 24-year-old young man Br. M. A. K. lost his leg in a terrible bus accident. Since his accident, he has undergone multiple surgeries and his leg was amputated, and he was unable to walk. One of SEED donors recommended his case and SEED provided funding for a Prosthetic leg. He can walk now.

SUCCESS STORIES

Educational Expenses Paid By SEED's Skill Training leads to success for an Imam of a masjid and his family.

Maulana AH was working as an Imam at a masjid in Patna, State of Bihar. He earned Rupees 5,000 per month. He was struggling financially in order to take care of his family. Recognizing the importance of self-improvement and skill development he joined SEED's Computer Training Center at Patna and gained skills in Computer and languages (English & Hindi).

Bihar Government announced jobs for Translators and this Imam appeared in the State Government's examination. He passed the examination and was selected for this job. **Now he is employed as a State of Bihar employee earning Rs. 45,000 per month.**

Highly Talented Law Graduate Supported by SEED:

Sister A. M. a 23-year-old law graduate from Hyderabad, India got admission for a master's degree at **The London School of Economics and Political Sciences**. Her father could not afford to pay her educational expenses. Two SEED donors (one donor is her relative), donated \$24,000. SEED Granted a scholarship of \$22,000 to pay a total of \$46,000, one-year Program expenses. She has completed her degree and graduated in December 2025. She passed with high grades, and she was **awarded a place on Dean's List**. She was invited and **presented a paper at a Law Conference** held by University of Chicago Law College, University of Pennsylvania Law College, and Harvard University Law College in **Chicago in September 2025**. At present **she has joined the staff of a Supreme Court of India Judge on a six-month Contract**.

Support for Higher Education to Needy Students:

Br. F. R. got admission in Indian Institute of Management (IIM Bengaluru) for a post-graduation degree. His father is a school teacher and unable to pay for Br. F. R.'s educational expenses. SEED granted full scholarship to him (Tuition and all other educational expenses).

Indian Institute of Management is a Premier Institution. Only highly talented students get admission at these institutes.

Br. S. R. graduated from State Government Residential school and secured 92% marks in his Intermediate examination. His father drives an AutoRiksha. He got admission in Associate of Chartered Certified Accountants degree. SEED is providing him financial support for his degree.

Br. F. R.

Br. S. R.

Br. A. H. and Br. A. K. both graduated from State Government Residential schools and scored 90% marks in their intermediate examinations. Br. A. H. has joined Certified Management Accountant and Br. A. K. has joined an Engineering college. Both students were granted full scholarships for their studies. Br. A. H. 's father runs a Tyre repair shop. Br. A. K's father abandoned his family at his birth. His mother raised him.

Br. A. H

Br. A. K.

TESTIMONIALS (As received)

From a Medical Graduate who lost his father during Covid: " I am deeply grateful to SEED organization for the generous support in my medical education. Their assistance has eased my financial burden and allowed me to focus on my studies with confidence. This support has been life changing, and I truly appreciate SEED Organization for believing in me and investing in my future. Thank you for making a difference in my life.

From an organization in Gujrat that is educating poor children: We extend our heartfelt gratitude for your generous and unwavering support. Your kindness has made a profound impact – Thanks to you, one hundred of our students now have the opportunity to move forward towards a brighter future.

From a School President: We overwhelmingly express gratitude to all the members of SEED for their generous donation. In May of this year, we received funds for educational purposes, which included salaries for the SEED Sponsored teachers for this academic year and for uniforms for the kids. We hope that the helping hand by SEED will continue in the future also and enable us to educate the poor students at our school.

From a young Donor: May all your efforts be bountifully rewarded ! What you dedicate your valuable time, heart, and mind to so devotedly makes a difference. Thank you for allowing us to also be a part of the process. May your Ramadaan and Eid be blessed.
